BOISE TUESDAY MUSICALE

Boise Tuesday Musicale members include professional and amateur musicians, music educators, parents, students, generous benefactors, and music lovers. We invite you to become a member and participate in promoting musical opportunities in the Treasure Valley. Your unique experiences and talents will help the BTM Board be stronger and help this organization to grow.

Festivals: Each year BTM sponsors Federated Festivals where each student is adjudicated on his/her performance. A rating system awards points that coincide with the judge's rating. Gold cups are awarded when a total of 15 points are earned. Each succeeding cup is larger in size, culminating with the possibility of earning a President's Cup.

Awards: Students who are at an elementary or above level and receive a superior rating in Festival may audition for award money to be used to further their musical education. Proceeds of the 12-Piano Monster Concert are used for these awards in addition to funds donated by generous benefactors. We give over \$5,000 annually to deserving music students.

Workshops: We offer workshops to help teachers improve their skills and encourage music outreach programs.

Scan the code to become a member and share your knowledge and talents to improve our organization or visit the website boisetuesdaymusical.org for more information.

Special thanks to:

for providing the pianos!

Special thanks to:

for their printing services!

And special thanks to:

**NORTHWEST
NAZARENE UNIVERSITY**

for the rental of their facilities!
